UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.

Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower makes a payment or partial payment that is not sufficient to bring the Loan current, such funds, if not applied earlier, will be applied to the outstanding principal balance under the Note prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and

in the Property.

28. Lender's Purchase of Property Insurance. Unless Borrower provides Lender with evidence of the insurance coverage required and described above, Lender may purchase insurance at Borrower's expense to protect its interest in Borrower's Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower makes or any claim that is made against Borrower in connection with the Property. Borrower may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by this Security Instrument. If Lender purchases insurance for the Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges Lender may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to Borrower's total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance Borrower may be able to obtain on Borrower's own. If Borrower provides proof of insurance to Lender and that insurance meets Lender's requirements, then Lender will cancel the insurance that Lender purchased. Borrower may be entitled to a refund of unearned premiums.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.
